

FACT SHEET

Product Name	SAS Waterless Wash & Wax
Product Code	SAS2022
Date	25/05/16
Supplier's name and address	SAS Attack, Gelderd Road, Leeds LS12 6NA

SAS Waterless Wash & Wax will clean and wax your car giving an outstanding shine and water repellent finish. Manufactured from a solvent and water blend along with surfactants to give a natural cleaning action, once applied the dirt particles are encapsulated in the solution placing a lubricated barrier between the surface of the car and dirt particles to give a scratch free clean. Furthermore SAS Waterless Wash & Wax contains T1 Carnauba wax for durable protection along with a crossed link polymer to increase the protection and give good rheology.

Directions for use

Shake before use. Apply product to microfibre cloth and sparingly to the surface, wipe over to clean. Use second dry cloth to buff the surface. Can also be used on your cars interior dash and trim.

We hereby confirm that the above product meets all the required manufacturing specifications and Quality Control procedures as implemented by SAS Attack.
