

FACT SHEET

Product Name	SAS Odour Eliminator
Product Code	SAS2034
Date	25/05/16
Supplier's name and address	SAS Attack, Gelderd Road, Leeds LS12 6NA

SAS Odour Eliminator surrounds the bad molecules within the interior of the car which cause unwanted odours, it then continues to encapsulate and break down the bad smell replacing it with a fresh fragrance.

Directions for use

Spray SAS Odour Eliminator in to the air of the car's interior allowing it to naturally spread and fall, once all the interior is covered makes sure all windows and doors are closed to allow the eliminator to be at its strongest, the particles will then naturally fall encapsulating bad molecules while doing so, once the odour particles have landed open to doors to allow fresh air back in, if surfaces are damp dab with a dry cloth. Make sure no one is in the car when all doors and windows are shut and product is being sprayed.

We hereby confirm that the above product meets all the required manufacturing specifications and Quality Control procedures as implemented by SAS Attack.
