

FACT SHEET

Product Name	SAS Concentrated Wash & Wax
Product Code	SAS2045
Date	25/05/16
Supplier's name and address	SAS Attack, Gelderd Road, Leeds LS12 6NA

SAS Concentrated Wash & Wax is a pleasant shampoo to use that's strong enough to cut through tough dirt and road film, while gentle enough not to harm the existing layer of protection on your car.

Special lubricants and waxes provide a smooth glide feel between your wash media and the paint and the high suds aid in safely lifting dirt away from the surface. Between 1:400 and 1:800 dilution ratio, this car shampoo and wax is highly economical which makes it suitable for professionals and enthusiasts.

Directions

Pre-rinse or Snow foaming the car first to remove any loose dirt, add the shampoo to a bucket of water 2 caps for every 10 litres of water, using a scratch guard in the bucket will give extra paint safety, gently wash one panel at a time. Once the vehicle is clean, rinse it with an open-ended hose and dry with a microfiber drying towel.

We hereby confirm that the above product meets all the required manufacturing specifications and Quality Control procedures as implemented by SAS Attack.
