

## FACT SHEET

<b>Product Name</b>	<b>SAS Wax Spray</b>
<b>Product Code</b>	SAS2046
<b>Date</b>	25/05/16
<b>Supplier's name and address</b>	SAS Attack, Gelderd Road, Leeds LS12 6NA

SAS Wax Spray is an ultra-slick quick wax spray that allows light surface contamination to be safely wiped away, while simultaneously laying down a thin protective coating of carnauba wax and gloss enhancing polymers. Developed to be temperature insensitive, streak-free and safe on all non-porous surfaces, SAS Wax Spray indefinitely prolongs the life of natural carnauba wax finishes and adds extra glossiness and slickness to paint protected with Performance Finish.

Use it dry for fast touch-ups, or use wet after washing your car to quickly restore the Just-Waxed look.

### **Directions**

Spray directly on to panel of car and a small amount on to a microfiber cloth, continue to wipe over using circular motions until all product is dispersed, SAS Wax Spray can also be layered for extra shine and protection.

We hereby confirm that the above product meets all the required manufacturing specifications and Quality Control procedures as implemented by SAS Attack.
