VISION Zoom Focus Mini LED Work Light

The VISION Zoom Focus Mini LED Work Light is a powerful, heavy duty, cordless 20W COB LED light with a zoom lens which provides a wide angle or spot light. The powerful 20 watt COB (chip on board) LED bulb provides an 1800 lumen output cool white light (6000-7000 kelvin). Dual light mode helps provide up to 6 hours run time. Small and compact in size (7.3" x 5.3" x 1.8") and constructed from heavy duty cast aluminium with thermo plastic rubber corners. Recharged via the supplied mains or car adaptor and also acts as a USB power bank for charging your phone or other gadgets. Ideal for applications such as vehicle recovery, vehicle inspection, portable site lighting, construction groups, electricians and plumbers and is wet/damp rated at IP54 for splashing water and dust protection. An optional magnetic clip-on base is also available separately (ELW101).
