

Material Safety Data Sheet

Absorbent Products: LW14, LW30, LW30/35, LW80: E-Sorb fire-retardant wood fibre

1. Identification

Manufacturer **Fentex Ltd**
Address Station Road, Warboys, Huntingdon, Cambridgeshire, PE28 2TH
Telephone 01487 823 184
Fax 01487 825 389

2. Physical Properties

Slightly dampened granular absorbent cellulose particulate. Unlikely to cause harmful effects when handled correctly and used as an absorbent.

3. Hazardous Identification

Not regarded as health hazard under current legislation.

Flash Point N/A
Flammability Limits N/A
Auto Ignition Temp N/A
Extinguishing Media N/A

4. Composition

Hazardous Ingredients None
Nature of Hazard None

5. Stability/Reactivity

Hazardous Reactions None
Incompatible with strong acids, strong alkalis, oxidisers and other highly aggressive liquids.

6. Storage and Handling

Storage Dry conditions only
Gradual loss of Carbon Dioxide from Bicarbonate when mixed with water.
Handling N/A

7. Transport Information

No special requirements

8. Exposure Controls/Personal Protection

OES Does not apply
PPE N/A

9. Spillage Accidental Release

If accidental spillage occurs sweep up and put back into bag if no contamination has occurred or discard.

Material Safety Data Sheet

Absorbent Products: LW30, LW80: Safe Soak Fire-retardant Wood Fibre

10. Waste Disposal

Dispose in accordance with normal solid waste in accordance with local or national guidelines. Treat as fluid absorbed.

11. First Aid Measures

Skin Contact	None
Eye Contact	Irrigate with eyewash solution or clean water. Seek medical attention.
Ingestion	Unlikely to be required but treat symptomatically.

12. Fire & Explosion

Will not burn in dry form.
Hazardous products of combustion
Carbon Dioxide, Carbon Monoxide, Smoke Extinguishing Media. N/A

13. Health & Toxic Data

Skin contact-No evidence of irritant effects from normal handling.

14. Environmental Information

Environmental rate and distribution. Dispose of in accordance with local bye laws.
Fentex Ltd safe soak can be incinerated or will biodegrade.

15. Regulatory Information

User.	Not classified as hazardous to user.
Transport.	Not classified as hazardous to transport.

16. Other Information

For other technical information contact the address in section 1.

Note: The above information is given in good faith and to the best of our knowledge. It is intended to describe the product for meeting safety requirements and should not construed as a guarantee of specific properties.
