

## ROZALEX WET-GUARD®

### Barrier Cream

#### Description

A general purpose **wet work** barrier cream designed to give protection against every day materials such as neat and soluble cutting oils, dilute alkali and acids, detergents, coolants, wet cements and other water or water/oil based materials in light industry etc. The product is a paste consisting of a blend of, china clay, paraffin wax, petroleum jelly, technical white oil, perfume and preservative.

#### Key properties

- Based on china clay, petroleum jelly and paraffin wax.
- Water repellent

#### Benefits

- Gives protection against water based materials and contaminants
- Facilitates soil removal from skin
- Helps prevent ingress of contaminants & sensitisers into the skin
- Prevents skin dehydration and de-fatting

#### Use instructions

**Dosage:** Ready to use; apply undiluted.

**Can be used in combination with gloves to prevent dehydration / de-fatting and for maximum protection in hazardous environments.**

**Application:** Apply 1-2 mls to clean dry skin prior to starting work ensuring the cream is thoroughly applied, not forgetting the nails, between fingers, wrists and forearms. Re-apply after washing.

**Delivery:** Can be dispensed using the Rozalex Multi-purpose dispenser

#### Protects against

Neat and soluble cutting oils, dilute alkalis and acids, detergents, degreasers, bleaches, coolants, wet cements, water based inks, dyes, adhesives, fluxes, laquers, preservatives, stains, paints and water etc.

#### Typical Commercial Applications

Chemical handling, Painting & Decorating, Pottery, Printing, Bakery, Brewing, Catering, Cleaning, Laundry, Nursing Homes, Building Trades, Landscaping, Farming, Veterinary, Medical, Hair Dressing, Marine, Window Cleaning, Car & Truck Washing
